

Welcome to the QT, Tea trailer

Pot (serves 2) - \$4

Our teas are high quality & organic when possible.

You are welcome to enjoy your tea here, on our grounds, or in your trailer.

Before you leave the QT, please:

- Disinfect counters and anything else you touched, faucet, spoons, tea jars, etc.
- Leave the door open if it's not raining.
- Return your dishes to the front desk so we can clean & sanitize them.

Black & Puerh Tea

*Brewing: 200°-208° F water; 1 tsp tea per 8 oz water; steep covered for 3-5 minutes and remove the infuser. *Denotes 100% Certified organic blend of tea.*

- **Assam*** - Full-bodied and malty black tea from Chota Tingrai Estate in partnership with Mana Organics; Perfect as a breakfast tea and goes great with a little milk and honey.
- **Bombay Breakfast*** – Malty Assam, spicy ginger, aromatic cardamom, and sensual roses brew up a rich, bold brew.
- **Caravan** - Lapsang Souchong blended with Keemun, spicy cloves, and citrus. It brews a slightly smoky liquor with a fruity touch.
- **Chaz's Chai*** – Our signature masala chai blend... Indian black tea blended with Cardamom, cinnamon, anise, peppercorns, nutmeg, and cloves.
- **Earl Grey** – Keemun and Ceylon blended with essential oil of bergamot for a full-bodied classic.
- **Puerh Queen*** - Extremely smooth for a black loose leaf Puerh (*pronounced POO-ar*), this tea is also known as a "ripe" or "cooked" Puerh. Robust and surprisingly tasty with milk, it has a distinctly earthy mushroomy aged flavor.
- **Ginger Peach** - A luscious and fragrant light-bodied black tea with the sweetness of ripe peach, and the spice of ginger and cardamom. Delicious served hot or iced.

Green Tea

*Brewing: 150 - 195° F water; 1 tsp tea per 8 oz water; steep covered for 2-4 minutes and remove the infuser. *Denotes 100% Certified organic blend of tea.*

- **Genmaicha** (*gen-my-CHA*); Japanese sencha blended with toasted rice creating a nutty, savory, rich green tea brew. The sencha base used for this tea hails from the Miyazaki prefecture of the southern Japanese island of Kyushu.
- **Jasmine Tulsi** - Jasmine green tea blended with, purple leaf (Krishna) tulsi, lemon balm, and anise. Tulsi's unique earthy flavor pairs perfectly with the light floral, citrus, and sweet notes of this blend... Can be calming and may help with inflammation.
- **Kirishima Sencha*** – Brew with slightly cooler water (150 - 195° F) for 2-3 minutes; True Japanese Sencha that produces a rich, comforting, brothy liquor with notes of seaweed and spinach.
- **Mild Moroccan Mint Green*** – Chinese green tea blended with refreshing spearmint and orange zest. Reminiscent of traditional Moroccan mint teas.
- **Strawberry Sencha** - A smooth and delicate blend that balances the savory nuances of Chinese and Japanese senchas with a nudge of strawberry sweetness. Fresh, bright, and crisp over ice, it's naturally sweetened with strawberry pieces and blackberry leaf—no sugar necessary! A playful sunny-day blend that carries the nostalgia of simpler times.

Herbal Tea

*Brewing: 200° - 208° F water; steep covered for 3-5 minutes and remove infuser; *Denotes 100% Certified organic blend of tea.*

- **Dark Forest** - A great coffee alternative! Smooth, dark, and rich, this blend of chicory, cacao, cinnamon, and many other delicious herbs create a satisfying brew for morning or afternoon. May contain scant caffeine from the raw cocoa nibs.
- **Dream** - This blend is designed to calm nerves, reduce anxiety, and help one unwind, simmer down, and relax into a dream. Fennel, Linden flowers, Valerian, cloves, lemon balm, lavender, chicory, honeybush, and a touch of natural peach flavoring makes this blend both potent and tasty.
- **Feel Better*** - Chamomile, Peppermint, ginger, eucalyptus, lemon myrtle blended to brighten blue moods and calm frazzled nerves.
- **Rest Easy*** - Rest Easy is a sweet herbal drink that combines the light fruitiness of chamomile and lemony herbs with fragrant lavender blossoms. Smooth rooibos is a caffeine-free base with a vanilla-like body.
- **Women's*** - A complex blend of Cinnamon, Raspberry Leaf, Orange Peel, Sarsaparilla, Roses, Nettles, Red Clover, Lemon Balm, Lemon Myrtle come together to brew a gentle, balanced blend of herbs with a light body, floral aroma, and notes of citrus. Enjoy anytime - day or night.
- **Yoga*** - A warming blend of honeybush, ginger, cinnamon, fennel, and nettles. Encourages digestion, naturally nourishes, soothes, and fortifies the Yoga body. Drink and be well.
- **Ruby Nectar** - A sweet and tart flavor that is also fruity in nature. With Greenbush as a base, it delivers a very smooth brew without the caffeine. Stevia provides a calorie-free sweetness.
- **Red Chai** - A non-caffeinated, herbal version of the classic Indian spice tea, this Red Chai blends hearty red South African rooibos with house-roasted whole spices for a warm, decadent cup of tea for any time of day. Delicious simmered in milk or steeped in water.

White Tea

*Brewing: 1 Tbsp. Tea per 8oz 195 - 200° water; steep covered for 3-5 minutes. *Denotes 100% Certified organic blend of tea.*

- **Lavender Rose*** - White Peony blended with roses, lavender, lemon balm, and lemon myrtle for a fragrant and light-bodied tea.
 - **Orange Honey Fennel** – Organic White Peony tea blended with fennel seeds, anise, cardamom, orange zest, orange essential oil, and natural honey and fig flavors.
-

The Jasmine Pearl Tea Company uses organic ingredients as much as and whenever possible. See ingredients on their website for more information.
